The Bubbly Bath Lift is backed by Harmar Mobility's 3-Year Transferable Warranty

The Harmar Mobility warranty is the simplest in the industry, a 3-Year Fully Transferable Warranty. If the product changes hands, the remainder of the warranty transfers to the new owner. Other manufacturers offer a warranty only on the original owner's usage, but we warranty the product itself. That is how committed we are to producing the highest-quality lifts and ramps you can buy.

*Additional accessories are available for optimal safety and comfort:*

### **BUBBLY Seat Cover**

The seat cover can be added to give extra comfort to your legs.

### **BUBBLY Full Cover**

The full cover provides extra comfort for your back and legs.

### **Swivel Slide Unit**

The Swivel Slide transfer desk will help you to get on and off your bath lift easily and safely. It is ideal for people who have difficulties shuffling into the center of the bath lift and allow them to slide and turn into the correct position to bath.

### **Headrest and Wing Backs**

The Headrest provides extra support and comfort while bathing. The Wing Backs help you stabilize by adding extra support to the sides of the backrest when bathing.

### **Pommel and Lap Harness**

The pommel can be fitted to support the user by maintaining the correct position and preventing the user from sliding forward. The lap harness can help the support pelvic area and prevent sliding forward.

### **Pommel and Chest Harness**

The pommel can be fitted to support the user by maintaining the correct sitting position and preventing the user from sliding forward. The chest harness provides support and correct upper body posture as well as preventing the user from pushing forward.

### **Extra Suction Cups**

Middle suction cups can be added. This is especially useful with textured baths.
